

Hi,

You don't know me, but I just paid for your order.

No gimmicks -it's just something I felt like doing.

I heard about people doing things for others on

102.5 The Vine. They call it the "drive-thru difference."

Maybe you'll feel like doing it for someone else!

I hear that The Vine loves to share stories on the air!

Their phone number is 951-554-0100.

I hope this encourages you today!

Signed,

The stranger in the car ahead of you
